About Ani

EXECUTIVE CHEF & OWNER,
[ANI'S TABLE, LLC](#)

Classically trained at the French Culinary Institute, Chef Ani Robaina has always loved to cook. The daughter of Cuban immigrants, she grew up in a home where her parents, siblings, Grandmother gathered in the kitchen. There, not only amazing food made with love & from scratch, & great wine were central to every meal, but guests were always welcome & the joy of entertaining & cooking for others along was born!

Ani trained under & was the Sous Chef for James Beard Award winning & Julia Child protege Executive Chef Monique Barbeau at the James Beard Award Winning Fuller's Restaurant at the Seattle Sheraton. Chef Ani also had the privilege to partake in internships with other James Beard Award winners, including Douglas Rodriguez and David Bouley both in NYC.

Ani's Table was created to further spread her love of food through catering, private parties, cooking classes, weddings & corporate team building & events. Ani's loves to create an entire event from the tablescape, flowers, thoughtful & distinctive entertaining - a casual elegance perfectly detailed that is her signature style!
